

Discover your local  
history sites with

# Flat Lincoln!

With his mask, and being  
careful to stay distant from  
others, Flat Lincoln can explore  
local history responsibly.

There's a lot of history to discover, right in your own backyard!  
Flat Lincoln loves to visit historic sites, have his picture taken,  
and see them appear on the Looking for Lincoln Facebook page.

Print Flat Lincoln, color him with crayons or colored pencils,  
cut him out, and take him on your next walk around your  
neighborhood or town. Photograph him visiting any historic or  
Looking for Lincoln site, and post it on Facebook. Hashtag your  
photo with **#FlatLincoln**, and we'll post our favorites on the  
Looking for Lincoln Facebook page!

With the current health concerns, it's important to explore  
nearby historic sites responsibly. Flat Lincoln is wearing his  
mask, keeps at least 6 feet from others, and washes his  
hands frequently. Be "All In Illinois" and help stay safe.

Explore your neighborhood or town's outdoor historic sites  
with special care, and take Flat Lincoln along for your  
walk or ride. Together, we'll get through this time  
if we all watch out for each other.
